# Things to keep in mind

**Calendar Description (Non-Honours)**

BKIN Requirements

BKIN (AT Option) Requirements

BKIN (ExSci Option) Requirements

BKIN (Biol Option) Requirements

BKIN (Psyc Option) Requirements

BKIN (Nutr Option) Requirements

- AT - apply next year, need Phys 1&2
- ExSci - recommend activity labs:
  - KINE 190C Agility, Quickness & Speed (fall)
  - KINE 190B Resistance Training (winter)
- Biology - Intro to Cell Biology for non-majors; Chem 1013/1023
- Psych - Psych 1013/1023
- Nutrition - Nutr 1313/1323
- Education - Kine 2483 (Comp Sch Hlth)
                  - Kine 2003 (Adapted PA)

# Failing a course vs. failing to meet graduation requirements

- Failing a course = F, you have not passed the course & need to retake it
  - If the course is a prerequisite for another course, you must earn a passing grade before you can register for the other course

- Example: KINE 1413 Hum Anat 1 is a prereq for KINE 2413 App Hum Phys 1
  - If "F", register for KINE 1413 but not KINE 2413
  - If "D-, D, D+", register for KINE 1413 & KINE 2413

- Failing to meet graduation requirements = passing a core course requiring a minimum grade of C- with a grade of D-, D or D+
  - You need a C- in Kine Core courses & Comm to graduate; if you receive a grade of less than C- in a core course you will need to take it again
  - If a core course is a prerequisite for another course, because you earned a passing grade, you can register for the other course
