

Curriculum Vitae
Jonathon R. Fowles, PhD
CSEP-CEP, CSCS
email: jonathon.fowles@acadiau.ca

Academic Qualifications

Ph.D. Muscle Physiology (supervisor: Dr. Howard Green) Department of Kinesiology, University of Waterloo, Waterloo, Ontario	Oct 2001
M.Sc. Neuromuscular Physiology (supervisor: Dr. Digby Sale) Department of Kinesiology, McMaster University, Hamilton, Ontario	Feb 1997
B.Sc. (Honors, Co-op), Major Human Performance Department of Physical Education, University of Victoria, British Columbia	Aug 1992

Academic Employment

Director, Centre of Lifestyle Studies School of Kinesiology, Acadia University	Jul 12 - present
Professor School of Kinesiology, Acadia University	Jul 11 - present
Co-Director, Centre of Lifestyle Studies School of Kinesiology, Acadia University	Jul 06 – July 12
Associate Professor School of Recreation Management & Kinesiology, Acadia University	Jul 06 – July 11
Assistant Professor School of Recreation Management & Kinesiology, Acadia University	Jul 01 – July 06
Instructor / Teaching Assistant Department of Kinesiology, University of Waterloo, Waterloo, Ontario	Sep 98 – Jul 01
Instructor Department of Kinesiology, McMaster University, Hamilton, Ontario	Sep 96 - Apr 97
Teaching Assistant Department of Kinesiology, McMaster University, Hamilton, Ontario	Sep 95 - Apr 97

Non-Academic Employment

Sport Science Consultant, Canadian Sports Centre - Atlantic	July 02-present
Strength Training and Conditioning, Exercise Physiology Consultant Program design and one-one-one training, numerous organizations	Sep 94 - present

Strength Training and Conditioning Coordinator Department of Athletics, University of Waterloo, Waterloo, Ontario	Sep 96 – Jul 01
Strength Training and Conditioning Coordinator Department of Athletics, McMaster University, Hamilton, Ontario	Sep 94 - Jun 95
Medical Services Coordinator Victoria Commonwealth Games Society, Victoria, British Columbia	May 92 - Sep 94

Leaves & Delays

Research Sabbatical, Acadia University – Exercise is Medicine	Jan. 1 2019 – June 30 2019
Research Sabbatical, Acadia University – Exercise is Medicine Canada	July 1 2015 – Dec 30 2015
Research Sabbatical, Acadia University – Canadian Diabetes Association	Jan.1 2012 – June 30 2012
Parental Leave, Acadia University, Wolfville, Nova Scotia	July 1 2011 – Oct.1 2011
Parental Leave, Acadia University, Wolfville, Nova Scotia	Jan.1 2009 - June 30 2009
Research Sabbatical, Acadia University, Wolfville, Nova Scotia	July 1 2007 – June 30 2008

Awards and Achievements

Fellow – Canadian Society for Exercise Physiology- Honour	CSEP	2018
Clifford Shand Chair – Physical Education - Honour	Acadia University	2018-2023
60 th Anniversary Award of Excellence	Lawson Foundation	2017
Chair, Exercise is Medicine Canada - Appointment	CSEP	2016
Diabetes Care Program of NS Dedicated Leader Award	DCPNS	2016
CSEP Professional Standards Program Recognition Award	CSEP	2015
Research Excellence Award – Faculty of Professional Studies	Acadia University	2013
Presidents Recognition for Outstanding Performance- Honour	CSEP	Oct 2013
Clifford Shand Chair – Physical Education- Honour	Acadia University	July 2012-2017
Outstanding Teaching Award – Faculty Professional Studies	Acadia University	2010
Outstanding Research Project – Faculty Professional Studies	Acadia University	Mar 2008
Outstanding Research Project – Faculty Professional Studies	Acadia University	Mar 2006
Professor Appreciation Award – Kinesiology	Acadia University	Mar 2006
University of Waterloo Graduate Scholarship	University of Waterloo	Sep 00, Jan 01
Ontario Graduate Scholarship	University of Waterloo	Sep 99-Aug 00
NSERC Graduate Scholarship	University of Waterloo	Sep 97-Aug 99
University of Waterloo Graduate Scholarship	University of Waterloo	Sep 98, Jan 99
University of Waterloo Graduate Entrance Scholarship	University of Waterloo	Sep 97
McMaster Graduate Scholarship	McMaster University	Sep 96-Dec 96
Ontario Graduate Scholarship	McMaster University	May 96-Dec 96
McMaster Graduate Entrance Scholarship	McMaster University	Jan 95
President’s Award for Outstanding Performance	Commonwealth Games	Sep 93
Canadian Academy of Sports Medicine/Sport Science Undergraduate Student Outstanding Achievement	University of Victoria	May 92

A. Summary of Scholarly Contributions*

	Published/ In Press	Submitted	Not Published
Refereed Research Articles	35	2	
Invited and other Reviews (Refereed)	6		
Books & Manuals	4		
Book Chapters & Reviews	3		
Commissioned and Technical Works	16		
Patents/Trademarks and Commercial or License Agreements	2		4
Abstracts and Research Presentations	63		45
Invited Presentations			141
Literary Works	6		

*note: Acadia School of Kinesiology does not have a graduate program.

Scholarly Activity

Refereed Research Journal Publications

1. O'Brien. MW., C. Shields, K.L Campbell, S.J Crowell, **J.R. Fowles**. Perceptions and Practices of Providing Physical Activity Counselling and Exercise Prescriptions among Physiotherapists in Nova Scotia. *Phys. Can.* 2019. *In Press*.
2. O'Brien MW, Robinson SA, Frayne R, Mekary S, Fowles JR, Kimmerly DS. Achieving Canadian physical activity guidelines is associated with better vascular function independent of aerobic fitness and sedentary time in older adults. *Applied Physiology, Nutrition, and Metabolism*. 2018 Apr 19;43(10):1003-9.
3. Steeves, D., M. Jordan, L. Thornley, M. Bawol, F. Jobin, J. Kruk, **J.R. Fowles**.. A High-Performance approach to the strength and power training evolution in 200m Kayak/Canoe. *J. Australian. Str. Cond.* 2018. 26(7): 79-83.
4. O'Brien MW, Kivell MJ, Wojcik WR, D'Entremont GR, Kimmerly DS, **J.R. Fowles**. Influence of Anthropometrics on Step-Rate Thresholds for Moderate and Vigorous Physical Activity in Older Adults: Scientific Modeling Study. *JMIR Aging* 2018;1(2):e12363. DOI: 10.2196/12363
5. O'Brien. M.W., C. Shields, S. Crowell, O. Theou, P. McGrath, **J.R. Fowles**. The Effects of Previous Educational Training on Physical Activity Counselling and Exercise Prescription Practices Among Physicians Across Nova Scotia: A Cross-Sectional Study. *Can. Med. Educ. J.* 2018.12:9(4) e35-e45.
6. O'Brien MW, Kivell MJ, Wojcik WR, d'Entremont G, Kimmerly DS, **J.R. Fowles**. Step Rate Thresholds Associated with Moderate and Vigorous Physical Activity in Adults. *Int J Environ Res Public Health*. 2018 Nov 3;15(11). pii: E2454. doi: 10.3390/ijerph15112454.
7. Steeves D, Thornley LJ, Goreham JA, Jordan M, Landry SC, **J.R. Fowles**. Reliability and Validity of a Novel Trunk Strength Assessment For High Performance Sprint Flatwater Kayakers. *Int J Sports Physiol Perform*. 2018. Oct 9:1-27. doi: 10.1123/ijsp.2018-0428. [Epub ahead of print]
8. O'Brien, M.W, W.R. Wojcik, **J.R. Fowles**. Medical Grade Physical Activity Monitoring for Measuring Step Counts and Moderate-Vigorous Physical Activity: Validity and Reliability Study. *JMIR. MHealth UHealth*. 2018. 5:6(9): e10706. doi:10.2196/10706.

9. O'Brien, M, S. Robinson, R. Frayne, S. Mekary, **J.R. Fowles**, D. D. Kimmerly. Achieving Canadian Physical Activity Guidelines is Associated with Better Vascular Function Independent of Aerobic Fitness and Sedentary Time in Older Adults. *Appl. Phys. Nutr. Metab.*, 2018 Oct;43(10):1003-1009. doi: 10.1139/apnm-2018-0033. Epub 2018 Apr 19.
10. O'Brien, MW, W.R. Wojcik, L.D'Entremont and **J.R Fowles**. Validation of the PiezoRx Step Count and Moderate to Vigorous Physical Activity Times in Free Living Conditions in Adults: A Pilot Study. *Intl. J. Exerc. Sci.* 11(7): 541-551, 2018. <https://digitalcommons.wku.edu/ijes/vol11/iss7/5>
11. **Fowles**, J.R., M. W. O'Brien, K. Solmundson, P. I. Oh, C.A. Shields. Exercise is Medicine Canada Physical Activity Counselling and Exercise Prescription Training, Improves Counselling, Prescription and Referral Practices Among Physicians Across Canada. 2018. *Appl. Phys. Nutr. Metab.*, May;43(5):535-539. doi: 10.1139/apnm-2017-0763. Epub 2018 Jan 9.

Conference presentations

1. O'Brien MW, Shields CA, Crowell SA, **Fowles JR**. Nova Scotia HealthCare Providers' perspectives on promoting and sustaining physical activity and exercise in healthcare. Primary Healthcare Research Day. Halifax, Nova Scotia, Canada, 06/2019.
2. Koppernaes, J. & **J.R. Fowles**. Supporting patient physical activity through interventions in Primary Health Care Practice: A Pilot Study. *Atlantic Provinces Exercise Science Conference*. Acadia University, Wolfville NS. Canada, 03/2019.
3. Koppernaes, J. & **J.R. Fowles**. Supporting patient physical activity through interventions in Primary Health Care Practice: A Pilot Study. *CrossRoads Health Conference*. Dalhousie University, Halifax NS. Canada, 03/2019.
4. O'Brien MW, Shields CA, Crowell SA, Theou O, McGrath P, **Fowles JR**. Nova Scotia physicians perspectives on promoting and sustaining physical activity and exercise in healthcare. Primary Healthcare Research Day. Halifax, Nova Scotia, Canada, 06/2018.

5. O'Brien MW, Robinson SA, Frayne RJ, Mekary S, **Fowles JR**, Kimmerly DS. Achieving Canadian physical activity guidelines is associated with better vascular function independent of aerobic fitness and sedentary time in older adults. *Atlantic Provinces Exercise Science Conference*. Dalhousie University. 03/ 2018.
6. O'Brien MW, Shields CA, Crowell S, Theo O, McGrath P, **Fowles JR**. (2017). Physical Activity Counselling and Exercise Prescription Practices of Nova Scotian Physicians. *Primary Health Care Research Day*. Halifax, Nova Scotia, Canada, 04/2017.
7. Theo O, O'Brien MW, Shields CA, Crowell S, McGrath P, **Fowles JR**. (2017). Physical Activity Counselling and Exercise Prescription Practices of Nova Scotian Physicians. *Dalhousie Department of Medicine Research Day*. Halifax, Nova Scotia, Canada, 04/2017.
8. O'Brien MW, Shields CA, Crowell S, McGrath P, **Fowles JR**. (2017). Practices and Perceptions of Physical Activity Counselling and Exercise Prescription among Nova Scotian Health Care Providers. *Atlantic Provinces Exercise Science Conference*. Charlottetown, Prince Edward Island, Canada, 03/2017.
9. Forbes, C., C., Rainham, D., Giacomantonio, N., Vallis, M., Plotnikoff, R., Rhodes, R., Shields, C., **Fowles, J.**, Blanchard, C., (June 2017). Examining physical activity and sedentary behaviour in adults with type 2 diabetes over a 6-month period. Paper presented at the annual meeting of the International Society of Behavioural Nutrition and Physical Activity. Victoria BC.
10. Thornley, L, D Steeves, J Goreham, S Landry and **J.R. Fowles**. 2016. Reliability of a novel CORE strength assessment for high performance sprint Kayakers. *SPIN summit*. Calgary, AB.
11. O'Brien, M., **J.R. Fowles**, Shields, S.A., Oh, P., and Yungblut, S. Implementation and perceived effectiveness of the Exercise is Medicine Canada workshops in primary care providers across Canada. Oral Presentation. *Atlantic Provinces Exercise Scientists and Socio-Culturalists*, Antigonish, Canada. March 20th, 2016
12. O'Brien, M., **J.R. Fowles**, Shields, S.A., Oh, P., and Yungblut, S. Implementation and perceived effectiveness of the Exercise is Medicine Canada workshops in primary care providers across Canada. Oral Presentation. *Crossroads Interdisciplinary Health Research Conference*, Halifax, Canada. March 12th, 2016
13. Shields, C.S, **J.R. Fowles**, M O'Brien, S. Yungblut, M.Fortier, P. Oh. Exercise is Medicine Canada; Early but important signs of the effectiveness of this national initiative. paper presented to the *annual meeting of the Canadian Society for Psychomotor Learning and Sport Psychology*, Edmonton, AB Oct. 2015 Society for Psychomotor Behaviour.
14. Shields, C. A. & **Fowles, J.** From coast to coast to coast: Describing a national initiative to enhance the promotion of physical-activity and exercise in diabetes management in Canada. Paper submitted as part of a symposium entitled "Exercise is medicine: Canadian interventions that aim to make exercise a key piece of chronic disease prevention and management" to the *annual meeting of the Canadian Society for Psychomotor Learning and Sport Psychology*, London, ON. Oct. 2014
15. MacDonald, S.C. and **J.R. Fowles**. The acute metabolic and glycemic response of resistance exercise in individuals with type 2 diabetes. *Atlantic Provinces Exercise Science Meetings*. Fredricton, New Brunswick. Mar. 2013.
16. D'Entremont, L. **J.R. Fowles**, C.A Shields, S.M. McQuaid, P. Dunbar. The effect of supplemental physical activity and exercise resources provided to Diabetes Centers in Nova Scotia on activity levels. *Atlantic Provinces Exercise Science Meetings*. Fredricton, New Brunswick. Mar. 2013.

17. D'Entremont, L. **J.R. Fowles**, C.A Shields, S.M. McQuaid, P. Dunbar. The effect of supplemental physical activity and exercise resources provided to Diabetes Centers in Nova Scotia on activity levels of patients with diabetes. *Crossroads Integrated Health Conference*. Dalhousie University, Halifax, Nova Scotia. Mar. 2013.
18. D'Entremont, N. and **J.R. Fowles**. Validation of a Physical Activity Questionnaire for use in Diabetes Clinical Practice. *Atlantic Provinces Exercise Science Meetings*. Aylesford Lake, Nova Scotia. Apr. 2012.
19. D'Entremont, N. and **J.R. Fowles**. Validation of a Physical Activity Questionnaire for use in Diabetes Clinical Practice. *Crossroads Integrated Health Conference*. Dalhousie University, Halifax, Nova Scotia. Mar. 2012.
20. Shields, C.A., **J.R. Fowles**, P. Dunbar, R.J.L. Murphy, A. Perry, Using the Stages of Change to understand differences in exercise and health-related perceptions of those with diabetes. *Canadian Society for Psychomotor Learning and Sport Psychology, Annual Meeting*. Ottawa, Ontario, Oct. 2010.
21. Barron, B. and **J. Fowles**. Chocolate Milk as a recovery aide from high-intensity exercise. *Atlantic Provinces Exercise Science Meetings*. Antigonish, Nova Scotia. Mar. 2010.
22. Shields, C.A., Dillman, C., **J. Fowles**, J., Perry, A., Murphy, R.J.L., & Dunbar, P. The Physical Activity and Exercise Tool-Kit: Effectiveness of a New Resource for Diabetes Educators. Paper presented at the *International Diabetes Federation World Diabetes Congress*, Montreal, PQ. Oct. 2009
23. H. Ross and **J.R. Fowles**. Development of Physical Fitness testing standards for Outdoor Leadership. *Nova Scotia Outdoor Leadership Development Program Conference*. Antigonish, Nova Scotia. May, 2009.
24. Shields, C.A., Dillman, C., **Fowles, J.**, Murphy, R., Dunbar, P., Perry, A., & Fryia, S. Diabetes educators' self-efficacy and other efficacy for physical activity: Does experience or training matter? Presented at the annual meeting of the *Society of Behavioral Medicine*, Montreal, PQ. April, 2009.
25. Dillman, C., Shields, C.A., Fowles, J., Murphy, R., Perry, A., & Dunbar, P. Time is the issue: physical activity and exercise counseling within the practical context of diabetes education. Paper presented at the annual *Atlantic Provinces Exercise Scientists Meeting*, Fredericton, NB. March 2009.
26. Dillman, C.J., **Fowles, J. R.**, Shields, C.A., Murphy, R.J.L., Fryia, S., Perry, A., Dunbar, P. Diabetes Educators' Perceptions and Practices Around Physical Activity and Exercise Prescription. Presented at the annual meeting of the *Canadian Diabetes Association*, Montreal, PQ. October 2008.
27. Read, E. and **J.R. Fowles**. Development of practical field tests as a measure of low-frequency fatigue in athletes. *Atlantic Provinces Exercise Science Meetings*. Wolfville, Nova Scotia. Mar. 2008.
28. Read, E. and **J.R. Fowles**. Validation of field assessments of low-frequency fatigue in athletes. *Atlantic Provinces Exercise Science Meetings*. Antigonish, Nova Scotia. Mar. 2007.
29. Manzon, M. and **J.R. Fowles**. Practical field assessments of fatigue in varsity soccer players. *Atlantic Provinces Exercise Science Meetings*. Antigonish, Nova Scotia. Mar. 2007.
30. A. D. Flouris, S.S. Cheung, **J.R. Fowles**, R. J. Murphy, D. A. Westwood, L. D. Kruisselbrink (2006). A pre-heating approach to preserve manual dexterity and neuromuscular function of the hands during cold exposures. *NASA Habitation 2006 Conference*. February 6-8, Orlando, Florida, USA, Conference Proceedings, p. 8.

44. **Fowles, J.R.** and D.G. Sale. Reduced strength following passive stretch of the human plantarflexors. (Abstract). *Ontario Exercise Physiology meetings*. 1996. London, Ontario.

45. **Fowles, J.R.,** R.D. Backus, and G.Van Gyn. A retrospective survey of injuries and injury prevention measures in university music students. (Abstract). *Canadian Academy of Sports Medicine Annual Symposium*. 1993. Banff, Alberta.

Invited Presentations

1. Exercise Management in the Context of Primary Health Care Delivery. *Nova Scotia Health Authority Primary Care Directors Meeting*. Halifax Nova Scotia, June 25, 2019.
2. Exercise is Medicine for the Management of Low Back Pain and Overall Health of Patients. *Canadian Memorial Chiropractic College Symposium at Homecoming*. Toronto, Ontario May 31, 2019.
3. Exercise is ‘Emergency’ Medicine. *Canadian Association of Emergency Physicians Annual Conference. Wellness Track Symposium*. Halifax, Nova Scotia, May 25, 2019.
4. Integrating Exercise into Health Care: Innovative Strategies to Engage Practitioners and Patients. *Exercise is Medicine Global Webinar*. April 16, 2019.
5. Lifestyle Prescription in Primary Care. *Dalhousie Medicine Annual Spring Refresher*. Halifax Convention Centre, Halifax, Nova Scotia. April 10, 2019.
6. Integrating Exercise into Health Care: Innovative Strategies to Engage Practitioners and Patients. *Nova Scotia Health Authority Research Innovation Rounds*. March 7, 2019.
7. Movement is Medicine. *Dalhousie Medicine Grand Rounds*. Spryfield Wellness Centre, Spryfield Nova Scotia. January 10, 2019.
8. Movement Medicine: Bridging the Gap from Health Care to Communities. *Provincial Physical Activity Practitioners Exchange*. Truro, Nova Scotia, Nov 30, 2018.
9. Keep it Moving – Physical Activity and Exercise in Diabetes: Diabetes Update. *Diabetes Canada Nova West Chapter*. New Minas, Nova Scotia, Nov 7, 2018.
10. Exercise is Medicine Referral Schemes: Physical Activity Counseling and Exercise Initiatives supporting Family Physicians in Rural Communities: *Canadian Society for Exercise Physiology Annual Conference*. Niagara Falls, Ontario, Nov 2, 2018.
11. Diabetes Update: What’s New with Type 2 – Physical Activity and Exercise. *Diabetes Canada Annual Conference*. Halifax, Nova Scotia, Oct 13, 2018.
12. Physical Activity and Health and Wellness of University Students. Pre-Conference symposium with the *Canadian Association of College & University Student Services (CACUSS) conference*. Charlottetown, PEI. June 14, 2018.
13. Movement is Medicine for an Active Vibrant Workplace. *Presentation to the Executive Council of the Nova Scotia Workers Compensation Board*. Halifax, Nova Scotia. May 8, 2018.
14. Physical Activity for Health and Wellness: Simple Strategies to help your patients get Active. (**Keynote**). *Loblaws National Health and Wellness Conference*. Toronto International Congress Centre. Toronto Ontario, April 27, 2018.
15. Movement is Medicine. *Dalhousie Medicine Spring Refresher*. Halifax Conference Centre, Halifax Nova Scotia. April 6, 2018

16. Exercise is Medicine in Health Care (**Keynote – Sam York Lecture**). *Dalhousie University Department of Medicine Grand Rounds*. Halifax Infirmery, Halifax Nova Scotia, March 27, 2018.
17. Perspectives on Obesity in Nova Scotia. *Canadian Obesity Network Panel Presentation*. Mount Saint Vincent University. Halifax Nova Scotia, March 16, 2018.
18. Movement is Medicine for an Active, Vibrant Nova Scotia. (**Highlighted presentation**). Nova Scotia Physical Activity Stakeholder Symposium, hosted by the Ministry of Community Cultures and Heritage. Brightwood Golf and Country Club. Dartmouth Nova Scotia. March 6, 2018.
19. What is with this Exercise thing? *Wolfville and Area Newcomers Club*. Wolfville Nova Scotia, Jan 9, 2018
20. Exercise for Type 2 Diabetes. *Diabetes Canada Diabetes Education Section Western Region Nova Scotia Fall Workshop*. Wolfville, Nova Scotia, Sep 27, 2017.
21. Exercise Physiology Professional Practice in Canada (**Keynote**). *European Exercise is Medicine Symposium*, Portuguese Ministry of Health, Lisbon Portugal. Sep 14, 2017.
22. Exercise for Physical and Mental Health: Life Lessons 1001. *Acadia Welcome Week*. Wolfville Nova Scotia, Sep. 6, 2017.
23. Exercise is Medicine in Health Care. *Aberdeen Hospital Medical Grand Rounds*. New Glasgow, Nova Scotia, June 29, 2017.
24. Breast Cancer and Exercise is Medicine Canada. *Public Presentation. Faculty of Kinesiology*. University of Calgary. June 20, 2017.
25. Lessons Learned from a National Initiative in Diabetes for Exercise Prescription in Cancer Care. *Faculty of Kinesiology*, University of Calgary. Calgary Alberta. June 19, 2017.
26. Interactions of Sleep and Nutrition with Training on Performance. *Canadian Sport Centre Atlantic Sport Science and Strength Summit*. Halifax, Nova Scotia, June 9, 2017.
27. Cycling for Life: Getting your 150 for Canada's 150. *Acadia University Centre of Lifestyle Studies Community Lecture in partnership with LifeCycle and Exercise is Medicine Nova Scotia*. Wolfville, Nova Scotia. June 3, 2017.
28. Lifestyle Prescription in Primary Care (**Featured Address**). *Primary Medicine Conference*, University of Toronto. Toronto, Ontario. May 10, 2017.
29. Exercise is Medicine Canada. (**Keynote**). *Canadian Association of Health Sciences Deans Annual Conference*. Niagara-on-the-Lake, May 8, 2017.
30. Getting your 150 for Canada's 150: How to meet Canada's Physical Activity Guidelines for better management of your Diabetes. (**Keynote**). *Diabetes Canada Expo*. Wellness Institute, Winnipeg, Manitoba. April 19, 2017.
31. Exercise is Medicine. *Annapolis Valley Emergency Medicine Continuing Education*. Port Williams, NS, April 7, 2017.
32. What is with this Exercise Thing? *Acadia Ideas: Community lecture*. Port Williams, NS, February 23, 2017.

33. Exercise is Medicine for Arthritis (**Keynote**). *Canadian Rheumatology Association Annual Conference*. Ottawa, Ontario. Feb. 8 2017.
34. Using Physical Activity to Impact Chronic Disease Prevention. (**Keynote**). *Aboriginal Diabetes Initiative Chronic Disease Prevention Management Education Workshop*. Halifax, NS. Feb 1, 2017.
35. Exercise Medicine: Lessons Learned from a National Dissemination in Diabetes. *Exercise is Medicine on Campus, University of Toronto*. Toronto, Ont. Nov 26, 2016.
36. Exercise is Medicine. *Nova Scotia Alliance for Healthy Eating and Physical Activity*. Halifax NS, Nov 17, 2016.
37. Exercise is Medicine in Health Care. *Colchester East Hants Health Team*. Truro, NS, Nov 4, 2017
38. Health Care Professionals' practices and perceptions for exercise prescription in Primary Care. *Canadian Society for Exercise Physiology Annual Conference*. Victoria BC, Oct 15, 2016.
39. Exercise is Medicine in Health Care. *Eastern Kings Memorial Health Foundation*. Wolfville, Nova Scotia, May 14, 2016.
40. Exercise Prescription in Primary Care (**Featured Address**). *Primary Medicine Conference, University of Toronto*. Toronto, Ontario. May 5, 2016.
41. Periodized training and dietary interactions. *High Performance Nutrition Think Tank, Canadian Sport Institute*. Toronto, Ontario. May 3, 2016.
42. Interactions of Sleep, Sedentary Behaviour, and Physical Activity: Taking a new comprehensive approach to lifestyle behavior change. (presented with C. Shields). *Diabetes Care Program of Nova Scotia Symposium, Changing Times Changing Practice*. Halifax Nova Scotia. April 21, 2016.
43. National Dissemination of Exercise is Medicine Canada – an initiative to promote the prescription of physical activity and exercise through primary practice. *11th Lawson Diabetes Workshop*. Toronto, Ontario, April 14, 2016.
44. Exercise is Medicine in Health Care (**Keynote**). *Acadia Kinesiology Society Bi-annual Conference*. Wolfville, Nova Scotia, April 1, 2016.
45. Building Complete Communities: The role of physical activity in developing healthy communities. *Creating Complete Communities; Vibrant, healthy, Safe & Sustainable Community Showcase and Panel Presentation, Acadia University*. Wolfville Nova Scotia. Feb 29, 2016.
46. Taking Steps in the Right direction: How Physical Activity can help you and your Diabetes. *Canadian Diabetes Association National Webinar Series*. December 8, 2015.
47. Exercise Prescription in Primary Care (**Keynote**). Presented with Dr. Victor Lun. *Family Practice Review Conference, University of Calgary*. Calgary Alberta, Nov 20, 2015.
48. Exercise is Medicine Canada. *CSEP Professional Development Day – Atlantic Region*. Halifax Nova Scotia, Nov 7, 2015.
49. Prescribing Exercise in Primary Care. *Dalhousie Continuing Medical Education Series*. Webinar. Halifax, Nova Scotia, Nov 4, 2015.

50. Is Exercise the Best Medicine? *Nova Scotia Health 2nd Annual Research and Innovation in Health Care Forum*. Halifax, Nova Scotia, Oct 26, 2015.
51. Evidence for Exercise as Medicine: Diabetes prevention and management. *Canadian Society for Exercise Physiology Annual Conference*. Hamilton, Ontario, Oct 17, 2015.
52. Is Sedentary Behaviour the New Smoking? Physical activity for Wellness in the Workplace (**Keynote**). *The Saskatchewan workplace Health Symposium*. Regina, Saskatchewan, Sep 23, 2015.
53. Exercise Prescription in Primary Care: What does it mean for Physiotherapy? *Canadian Physiotherapy Association Annual Conference*. Halifax, Nova Scotia, June 17, 2015.
54. Exercise Prescription in Primary Care. *New Brunswick College of Family Physicians Annual Conference*. Moncton, New Brunswick, June 6, 2015.
55. Exercise Prescription in Primary Care: Where do you draw the Line? *Dietitians of Canada National Conference*. Quebec City, June 5, 2015.
56. Exercise is Medicine Canada: The crisis of obesity in Canada: Causes, Consequences and the way forward. *Senate Standing Committee on Social Affairs, Science and Technology*. Ottawa, Ontario, May 28, 2015.
57. Exercise is Medicine Canada: Exercise for the Prevention and Management of Chronic Disease in Primary Care. *Lakeridge Health Network Research Rounds Clinical Symposium*. Toronto, Ontario, May 27, 2015.
58. Exercise is Medicine in Primary Care. What does it mean for Kinesiology? (**Keynote lecture**). *Saskatchewan Kinesiology Association Annual Scientific Conference*. Regina, Saskatchewan, May 2, 2015.
59. Physical Activity & Exercise promotion in a culture of time constraints, technology and trouble with motivation. (presented with Dr. Chris Shields). *Diabetes Care Program of Nova Scotia Spring Conference*. Halifax, Nova Scotia, April 10, 2015.
60. Action Research in Action: Exercise in Diabetes Care. *University of Lethbridge Visiting Lecturer Seminar Series*. Lethbridge, Alberta. January 28, 2015.
61. Is your Brain wired for Technology? *Jodrey School of Computer Science Speaker Series*. Acadia University, Wolfville, Nova Scotia. January 8, 2015.
62. The use of Pedometers for prescription of Exercise in Primary Care. *Exercise is Medicine Meeting*, Ottawa Ontario, Dec 8 2014.
63. Action Research in Action: Exercise in Diabetes Care. (**Keynote lecture**). *New Brunswick Kinesiology Association Annual meeting*. Moncton, New Brunswick. Nov, 15 2014.
64. Exercise is Medicine Canada: Exercise for the Prevention and Management of Chronic Disease in Primary Care. (**Keynote lecture**). *Canadian Association of Physician Assistants Annual Conference*. Halifax Nova Scotia. Oct 26, 2014.
65. Exercise is Medicine Canada: Promoting Exercise in the workplace. *Conference Board of Canada Annual Meeting*. Toronto, Ontario. Oct 24, 2014.
66. Exercise is Medicine Canada: Promotion of Exercise Assessment and Prescription in Primary Care. *Canadian Society for Exercise Physiology Annual Meeting*. St. John's, Newfoundland. Oct 24, 2014.

67. Action Research in Action: Lessons learned from a National dissemination. *University of Manitoba Graduate Symposium*. Winnipeg, Manitoba. April 24, 2014.
68. Taking Steps in the Right Direction: Physical Activity for Diabetes Management. *Reh-Fit Centre Community Symposium*. Winnipeg, Manitoba. April 22, 2014.
69. Action Research in Action: Lessons learned from a National dissemination. *Lawson Foundation Meeting of the Executive Board*. Toronto, Ontario. Feb 28, 2014.
70. Let's Move: Exercise in Diabetes. *LEADER trial National Study Coordinator Conference 2*. Rome, Italy. Jan 16, 2014.
71. Enhancing Exercise Prescription for Health, Performance, and in Chronic Disease. *Canadian Society for Exercise Physiology Annual Meeting*. Toronto, Ontario. Oct 19, 2013.
72. The Canadian Society for Exercise Physiology Physical Activity and Training for Health Manual Overview. *Canadian Society for Exercise Physiology Annual Meeting*. Toronto, Ontario. Oct 19, 2013.
73. Exercise is Medicine-Canada: Tools and Resources for the primary care practitioner. *Canadian Diabetes Association Joint Vascular Conference*. Montreal, Quebec. October 18, 2013.
74. Action Research in Action: Lessons learned from a National dissemination. *Lawson Foundation Annual Meeting*. Montreal, Quebec. Oct 15, 2013.
75. Let's Move! Being Active with Diabetes: *New Brunswick Heart Centre Cardiovascular Symposium*. St. John, New Brunswick. September 17, 2013.
76. Prescription Pads and other resources to promote exercise in Primary Care: lessons learned from a national dissemination project. *Canadian Society for Exercise Physiology Exercise is Medicine Task Force Meeting*. Ottawa, Ontario. May 10, 2013.
77. Neuromuscular Physiology and Applied Strategies for Training. *National Sports Science, Medicine and Conditioning National Meeting*. Toronto, Ontario, April 5, 2013.
78. Taking Steps in the Right direction: How Physical Activity can help you and your Diabetes. *Canadian Diabetes Association Live Well Expo*. Greenwich, Nova Scotia. March 26, 2013.
79. Exercise Prescription in Primary Care. *Dalhousie Family Medicine*. Halifax, Nova Scotia. Feb 27, 2013
80. Physical Activity and Exercise for Cardiovascular Risk Reduction. *Redesigning and Evaluating to Achieve Comprehensive Health For All (REACH) Atlantic Conference*. Moncton New Brunswick. June 1, 2012.
81. Exercise Prescription in Primary Care. *Canadian Society for Exercise Physiology Exercise is Medicine Task Force Meeting*. Victoria, British Columbia. May 11, 2012.
82. Let's Get Physical: Understanding and Implementing the new CDA Physical Activity and Exercise Toolkit. *The South Saskatchewan CDA-DES Chapter Meeting*. Regina, Saskatchewan. May 4, 2012.
83. Physical Activity and Exercise Counseling in Diabetes. *Aboriginal Diabetes Initiative - Atlantic Conference*. Millbrook, Nova Scotia. March 1, 2012.

84. Physical Activity and Exercise as Standard Practice of Quality Diabetes Care. *Aboriginal Diabetes Initiative – National Webinar*. Wolfville, Nova Scotia. February 21, 2012.
85. A Critical Dose of Lifestyle Intervention for the Prevention of Diabetes. *Public Health Agency of Canada, CANRISK workshop*. Toronto, Ontario. February 16, 2012.
86. A Physical Activity and Exercise Toolkit for individuals with Diabetes. *The Canadian Diabetes Association, National Conference*. Toronto, Ontario. Oct 28, 2011.
87. Exercise as Medicine for Individuals with Cardiovascular Disease. *The Canadian Association of Cardiovascular Pharmacists, Atlantic Conference*. Halifax, Nova Scotia. Sept 29, 2011.
88. Physical Activity Counseling and Exercise Prescription for Individuals with Diabetes. *The Canadian Centre for Activity and Aging, Knowledge Mobilization Webinar*. June 16, 2011.
89. Physical Activity in Diabetes: Taking Steps in the Right Direction. *Canadian Diabetes Association, Living Well with Diabetes Expo*. Ottawa, Ontario. May 9, 2011.
90. Physical Activity Counseling and Exercise Prescription in Diabetes Clinical Practice. *Canadian Diabetes Association, Living Well with Diabetes Expo*. Ottawa, Ontario. May 9, 2011.
91. Physical Activity Counseling and Exercise Prescription in Diabetes Clinical Practice. *Toronto Diabetes Association Annual Meeting and Scientific Conference*. Toronto, Ontario. May 7, 2011.
92. Management of Overweight and Obesity in Diabetes: Physical Activity and Exercise. *Diabetes Care Program of Nova Scotia Provincial Conference*. Halifax, Nova Scotia. April 29, 2011.
93. Physical Activity Counseling and Exercise Prescription in Diabetes Clinical Practice. *Capital Health Diabetes Education Conference*. Dartmouth, Nova Scotia. April 2, 2011.
94. Counseling on Exercise in Diabetes Clinical Practice. *The Canadian Centre for Activity and Aging*. National Webinar presentation. Jan 12, 2011.
95. Practical Strategies for Physical Activity and Exercise in Diabetes. *Canadian Diabetes Association Annual Meeting*. Edmonton, Alberta. October 22, 2010.
96. Exercise, Exercise, Exercise. *The Atlantic Chronic Disease Congress*. Moncton, New Brunswick. May 14, 2010.
97. Changing the Diabetes Story: Self-Management of Exercise in Clinical Diabetes Practice. *Canadian Association of Drugs, Technology and Health Annual Conference*. Halifax, Nova Scotia, April 20, 2010.
98. An Update of the Physical Activity and Exercise Toolkit. *The Diabetes Care Program of Nova Scotia Diabetes Educators Provincial Conference and Meeting*. Halifax, Nova Scotia, April 15, 2010.
99. The Physical Activity and Exercise Toolkit. *The New Brunswick Provincial Diabetes Educators Conference and Meeting*. Fredericton, New Brunswick, March 25, 2010.
100. Diabetes and Exercise. *New Brunswick Kinesiology Association, Annual Meeting*. Moncton, New Brunswick, Dec 5, 2009.

- 101.State of the ‘Heart’ Physical Activity Recommendations in Diabetes. *Canadian Diabetes Association - NB Chapter Professional Development Meeting*. Moncton, New Brunswick, Dec. 5, 2009.
- 102.Marketing the CSEP Brand. Annual General Meeting Business Luncheon. *Canadian Society for Exercise Physiology*. Vancouver, BC, Nov 14, 2009.
- 103.Practical Strategies for Physical Activity and Exercise for Individuals with Diabetes. *Canadian Society for Exercise Physiology*. Vancouver, BC, Nov 13, 2009.
- 104.Knowledge Translation: Making sure your research means something. Graduate Student Symposium. *Canadian Society for Exercise Physiology*. Vancouver, BC, Nov 11, 2009.
- 105.The Physical Activity and Exercise Tool-kit Update with Resistance Exercise Instruction video. *Diabetes Care Program of Nova Scotia, Provincial Meeting*. Halifax, Nova Scotia, April 24, 2009.
- 106.State-of-the Art Physical Activity Recommendations for children and adults with Type 1 and Type 2 diabetes. *Chronic Disease Education Network (C DEN)* on behalf of the Chronic Disease Branch of Manitoba Health and Healthy Living. Winnipeg, Manitoba, Feb 19, 2009.
- 107.The Canadian Society for Exercise Physiology Position Stand on Resistance Training in Children and Adolescents. *East-West Bowl, National Coaches Clinic for Football*. Hamilton, Ontario, May 9, 2008.
- 108.Preparing to Win. The CIS Football Training Manual by Football Canada. *East-West Bowl, National Coaches Clinic for Football*. Hamilton, Ontario, May 9, 2008.
- 109.The DCPNS Physical Activity and Exercise Tool-kit. *Diabetes Care Program of Nova Scotia, Provincial Meeting*. Halifax, Nova Scotia, April 10, 2008.
- 110.What makes fast skaters fast? *Kinesiology Research Seminar*. Brock University, St. Catherines Ontario. Feb 27, 2008.
- 111.What makes fast skaters fast? *Acadia University, Science Café*. Wolfville, Nova Scotia, Jan 21, 2008.
- 112.Physical Activity and Exercise in Type 2 Diabetes: The Big Picture. *Dalhousie University Kinesiology Research Seminar*. Halifax, Nova Scotia, November 22, 2007.
- 113.Neuromuscular aspects of Low-frequency Fatigue and its effects on task performance. *Dalhousie University Kinesiology Research Seminar*. Halifax, Nova Scotia, October 24, 2007.
- 114.An Exercise Tool-kit for Diabetes Educators. *Diabetes Care Program of Nova Scotia, Provincial Meeting*. Halifax, Nova Scotia, April 28, 2007.
- 115.Plenary session on “Global Health Risk Reduction”. Physical Activity to prevent and manage Chronic Disease. Valley Spring Refresher. *Annapolis Valley Health*, Wolfville, Nova Scotia, May 20, 2006.
- 116.Moving in the Right Direction. *Canadian Diabetes Association LiveSmart Expo*. Halifax, Nova Scotia. April 29th, 2006. Completed with Dr. Rene Murphy.
- 117.Weaknesses in Strength and Conditioning in Canada. *Canadian Society for Exercise Physiology National Conference*. Hull, Quebec. Nov. 12, 2005.
- 118.A multi-year analysis of physiological testing for a university hockey team: Implications for training and preparation. *Canadian Hockey Association: Team Atlantic Training Camp*. Acadia University, Wolfville,

Nova, Scotia. July 19, 2005.

119. Specificity of Adaptations in Strength and Power Training. *Canadian Society for Exercise Physiology National Conference*. Saskatoon, Saskatchewan. Oct 18, 2004.
120. A potential role for the Na,K-ATPase in the early adaptive response of muscle to stress. *A symposium in honour of H. J. Green*. University of Waterloo, Waterloo, Ont, Sept. 24, 2004.
121. Specifying Training to Improve Skating for Hockey and Speed Skating: The Acadia “Off-ice Skating Simulator”. *National Sport Centre – Calgary*, Calgary, Alberta, July 10, 2004.
122. Practical Nutritional Strategies to Maximize Performance at all levels of Hockey. *National Skating Conference*. Mar 22, 2004. Fredericton, New Brunswick.
123. Training Trends, Tips and Tools for the Total Athlete. *National Skating Conference*. Mar 22, 2004. Fredericton, New Brunswick
124. Muscles in Motion. *Atlantic Provinces Exercise Scientists Meeting*. St. FX University, Antigonish, Nova Scotia. March 15, 2003.
125. Complex Training: Physiology, Practice and Performance. *NSCA Sport Specific Conference for Football*. Atlanta, Georgia. Jan 7, 2001.
126. Beyond Core Stability. *Canada Games Swim Development Camp coaches clinic*. Waterloo, Ontario. December 9, 2000.
127. Advanced Training and Recuperative Techniques. *NSCA regional coaches clinic*. November 11, 2000. Buffalo, New York.
128. Conditioning of Injured and Non-injured Muscle and Connective Tissue: Principles and Parameters. *Canadian Athletic Therapy Association Conference: Pursuing Peak Performance*. May 12, 2000. Niagara Falls, Ontario.
129. Peak Performance Nutrition. *National Paralympic Swim Team Training Camp*. March 28, 2000. St. Catharines, Ontario.
130. Back and Shoulder Stability Training for Swimming. *Swim Ontario Elite Training Camp*. December 18, 1999. Waterloo, Ontario.
131. Peak Performance Nutrition for Swimming. *Swim Ontario Elite Training Camp*. December 19, 2000. Waterloo, Ontario.
132. Neurophysiology of Resistance Training. *NSCA regional coaches Clinic*. November 13, 1999 Buffalo, New York.
133. Strength Training and Plyometrics for Swimming. *Swim Ontario Elite Training Camp*. April, 1999. Waterloo, Ontario.
134. The New Principles of Strength Training and Conditioning. *University of Manitoba -National Sport Centre*. February, 1999. Winnipeg, Manitoba.

135. Strength Training and Conditioning for Field Hockey. *Jr. National Field Hockey Development Camp*. Jul 1998. Waterloo, Ontario.
136. Eating for Performance; presented with Linda Barton, R.D. *University of Waterloo*. Jul 1998. Waterloo, Ontario.
137. Peak Performance Nutrition; presented with Linda Barton, R.D. *Milton Leisure Center*. Feb 1998. Milton, Ontario.
138. Eating for Performance; presented with Linda Barton, R.D. *University of Guelph*. Jan 1998. Guelph, Ontario.
139. Conditioning Young Athletes for Alpine Skiing: A Growth and Maturation Perspective. *Skiing Ontario Development Camp*. Oct 1997. Collingwood, Ontario.
140. Strength Training and Conditioning for Figure Skating. *Mike Richards Figure Skating Club*. Oct 1996. Hamilton, Ontario.

Obtained Research Grants and Funding

Lifetime funding as a **Primary Investigator: \$ 975, 656**

Funding as co-investigator: \$ 2,179,023;

Total Funding : \$3,153,879

Pending Funding: \$ 2,500,00

1. Workers Compensation Board/Communities Culture & Heritage (2019) – P.I. - Workplace PA Research evaluation and Resource toolkit	\$ 34,500
2. Department of Health & Wellness and Long Term Care (2019) –P.I. - Community Exercise Programs for Seniors	\$ 18,065
3. TEAM work Collaborative Career Link Wage Subsidy (2019) - P.I. COLS - Research Coordinator for Workplace PA Initiative	\$ 18,750
4. True North Medical – Seed Grant (2019) - P.I. COLS - Research Assistant	\$ 5,000
5. Canada Summer Jobs Grant (2019) - P.I. COLS - Active Lifestyle Programmer	\$ 1,618
6. Valley Cardiac Rehab Society (2018-2019) –P.I. - Community Exercise Programs for 2ndary prevention of chronic disease	\$ 5,000
7. Acadia AUFA 25-55 (2018-2019) –P.I. - Exercise is Medicine in Primary Care evaluation	\$ 4,676
8. Canada Summer Jobs Grant (2018) - P.I. COLS - Active Lifestyle Programmer	\$ 1,618
9. Eastern Kings Memorial Health Foundation (2017-2018) - Kinesiologist support for Primary Care referral	\$ 12,242
10. CIHR Bridge Funding – 2017 – Co-Investigator (K. Dasgupta PI, 7 Co-Is) - ACTIVE PATIENT for cardiometabolic disease support	\$ 100,000
11. Nova Scotia Health Authority Chronic Disease Innovation Fund (2017-2018) - ‘Active for Life’ implementation and evaluation in the Annapolis Valley	\$ 22,500
12. Lawson Foundation – 2017-2019 – Co-Investigator (K. Dasgupta P.I., 7 CoIs) - ACTIVE PATIENT – Gestational Diabetes	\$ 400,000
13. Eastern Kings Memorial Health Foundation (2016-2017) - Kinesiologist support for Primary Care referral	\$ 8,000
14. Nova Scotia Health Authority (2015-2017) (in-kind) - Exercise is Medicine Pilot Implementation and Evaluation	\$ 25,000
15. Acadia Research Fund – 2017 - Centre of Lifestyle Studies (COLS)	\$ 15,000
16. Lawson Foundation – 2017 – 60 th Anniversary Award of Excellence - Exercise in Diabetes and Medicine	\$ 100,000
17. Lawson Foundation – 2014-2017 – P.I. extended - Exercise is Medicine Canada National workshop dissemination	\$ 115,000
18. Acadia Research Fund (May 2016) –P.I. - Centre of Lifestyle Studies	\$ 15,000
19. Acadia AUFA 25-55 (March 2015) –P.I. - Exercise is Medicine Pilot Implementation and evaluation in Nova Scotia	\$ 4,780
20. Productivity and Innovation Voucher Program (Aug 2015-Feb 2016, with Kinduct) - Development of Predictive Performance Analytics	\$ 15,000
21. Acadia Research Fund (May 2015) –P.I. - Centre of Lifestyle Studies	\$ 15,000
22. Lawson Foundation (May 2015-May 2017) (Co-investigator. R. Sigal P.I.) - Evaluation of an Improved Home-based Alternative to Traditional Weight Training in People with Type 2 Diabetes	\$ 200,000
23. Strategies for Patient Oriented Research LOI (SPOR-CIHR) (Apr 2015-Oct 2015) - ACTIVE PATIENT large multi-centre, multi-investigator grant K Dasgupta P.I.	\$ 50,000
24. Own the Podium – 2014-2016- Co-investigator (L Thornley P.I.)	\$ 60,000

	- Investigation of core stabilization in canoe/kayak performance	
25.	Acadia AUFA 25-55 (March 2015) –P.I.	\$ 3,955
	- Electronic Intake for PA management in Clinical Practice	
26.	Productivity & Innovation Voucher Program (Nov 2014-Feb 2015, with Kinduct)	\$ 15,000
	- Electronic Patient Intake for PA in Diabetes Management	
27.	Own the Podium – 2014-2016- Co-investigator (L Thornley P.I.)	\$ 65,000
	- Investigation of core stabilization in canoe/kayak performance	
28.	Acadia AUFA 25-55 (March 2014) –P.I.	\$ 4,000
	- Vibration Training for Diabetes patients and Athlete performance	
29.	NRC Industrial Research Assistance Program (Jan 2014) with KinDuct technologies	\$ 4,000
	- Development of electronic medical records in diabetes	
30.	Acadia AUFA 25-55 (March 2013) –P.I.	\$ 3,000
	- Validation of a new pedometer in Clinical populations	
31.	CIHR Regional Partnership Program – Operating Grant – 2012-2015 – Co-I	\$ 384,679
	- Lifestyle actIvity correlates For diabEtics (LIFE).	
32.	Steps Count/Diabeters Inc. (June 2012) - P.I.	\$ 16,885
	- Validation of a new Pedometer for use in clinical populations	
33.	Lawson Foundation (March 2012) (P.I. *with the Canadian Diabetes Association)	\$ 72,000
	- Fowles, Shields: Dissemination of Exercise manual across Canada	
34.	Acadia AUFA 25-55 (March 2012) –P.I.	\$ 3,500
	- Comparison of resistance exercise modes in diabetes	
35.	Acadia AUFA 25-55 (March 2011) – P.I	\$ 3,000
	- Validation of Physical Activity and Fitness Questionnaires for Clinical Practice	
36.	CIHR - Public Health Systems Improvement (Sept 2010) Co-Investigator	\$ 14,315
	- Evaluation of Expanded Chronic Care Model	
	- Hutchinson, Dunbar, Talbot, Fowles and 3 others	
37.	Public Health Agency of Canada (May 2010) Co-Investigator	\$ 52,000
	- Integrated community health program	
	- Miles, Talbot, Dunbar, Fowles 3 others	
38.	Thera-Band Academy research equipment grant (June 2010)	\$ 4,000
	- Fowles, Shields: Diabetes Toolkit resistance exercise program	
39.	Lawson Foundation (March 2010)	\$ 150,000
	- Fowles, Shields, Durant, Murphy: Diabetes Exercise Tool-kit for Atlantic Canada	
40.	Acadia AUFA 25-55 (March 2010)	\$ 2,500
	- Resistance exercise in Diabetes	
41.	Public Health Agency of Canada (January 2010)	\$ 55,000
	- Miles, Talbot, Dunbar, Fowles 3 others – Integrated community health program	
42.	Acadia AUFA 25-55 (March 2009)	\$ 3,000
	- Does chocolate milk enhance recovery from high-intensity exercise?	
43.	Lawson Foundation (December 2008)	\$ 5,000
	- Fowles, Shields & Murphy: Exercise Tool-kit for diabetes educators	
44.	Diabetes Care Program of Nova Scotia (December 2008)	\$ 4,000
	- Fowles, Shields & Murphy: Exercise Toolkit video for diabetes educators	
45.	Thera-Band Academy research equipment grant (2008)	\$ 6,000
	- Fowles, Murphy, Shields: Diabetes Toolkit resistance exercise program	
46.	Lawson Foundation (March 2008)	\$ 146,000
	- Fowles, Shields & Murphy: Exercise Tool-kit for diabetes educators	
47.	Acadia AUFA 25-55 (2008)	\$ 2,000
	- Diabetes Educator self-efficacy in physical activity counselling	
48.	Diabetes Care Program of Nova Scotia (2007)	\$ 5,000
	- Fowles, Shields & Murphy: Exercise Toolkit for diabetes educators	
49.	Acadia AUFA 25-55 (2007)	\$ 2,500
	- Validation of practical field tests to monitor low-frequency fatigue	

50. Acadia AUFA 25-55 (2006)	\$ 2,500
- Development of Field tests to monitor low-frequency fatigue	
51. Nova Scotia Technology Transfer & Innovation Proof of Concept Grant (2005)	\$ 10,000
- And G. Sleivert. Development of a new technology 'Sprint Profiler'	
52. Acadia Office of Technology Transfer Development Grant (2005)	\$ 5,000
- For development of a new SkateSIM™ prototype	
53. Thera-Band Academy research equipment grant (2004)	\$ 2,000
- Miles, Fowles and 3 others: Diabetes training program	
54. NSERC Equipment Grant (2004)	\$ 37,000
Murphy, Fowles and 2 others: A cryostat	
55. Eastern Kings Memorial Health Foundation (2004)	\$ 14,790
- Miles, Fowles and 3 others: Exercise program for Diabetes patients	
56. Acadia AUFA 25-55 (2004)	\$ 2,500
- Off-ice skating simulator training study	
57. NSHRF Community Health Research Project grant	\$ 150,000
- Murphy, Fowles and 7 others: Physician prescribed exercise	
58. NSERC Equipment Grant (2003)	\$ 84,728
- Murphy, Fowles and Wilson: An in situ/ in vitro recording station	
59. Acadia AUFA 25-55 (2002)	\$ 2,500
- Early effects of spinal cord injury on the Na,K-ATPase	
60. Nova Scotia Health Research Foundation Development Grant (2002)	\$ 5,947
- Ion regulatory capacity in spinal cord injured muscle	
61. Canadian Foundation for Innovation Equipment grant (2001)	\$ 159,162
- Murphy, Fowles and Kruisselbrink	
62. AUFA 25-55 (2001)	\$ 2,500
- Effects of creatine on Na,K-ATPase in rat skeletal muscle	
63. Thera-Band corporation equipment grant (2001-2002)	\$ 3,222 US
- Murphy & Fowles: Exercise training program.	
64. Eastern Kings Memorial Health Foundation (2001-2002)	\$ 14,162
- designed resistance program prescription for elderly individuals	

B. Supervision of Highly Qualified Personnel and Scholarly Disseminations.

Summary of Activities

	In program	Co-Supervised	Out of Program
Courses Taught	51		
Honours Thesis Students Supervised	20	1	2
Graduate Students Supervised*	0	1	
Directed Readings Supervisor	14	1	3
Independent Study Supervisor	11		
Certification Program Students	269	20	46
Delivery of Workshops, Seminars, Colloq.			132

* Acadia Kinesiology does not have a graduate program.

Supervision of advanced students and honours theses:

Honours thesis advisor, Acadia University

2018-19	Julia Koppernaes	<i>Supporting Patient Physical Activity through interventions in Primary Health Care Practice: A Pilot Study. Complete.</i>
2017-18	Nicholas Tibert	<i>Acute testosterone changes to different time under tension protocols in resistance training older adults. Complete.</i>
2015-16	Myles O'Brien	<i>Implementation and Perceived effectiveness of Exercise is Medicine Resources in health care practitioners across Canada. Winner of the CCUPEKA undergraduate professional award.</i>
2015-16	William Wojcik	<i>Validation of step count and intensity measures of physical activity in several physical activity monitoring devices.</i>
2014-15	Meaghan McNeil	<i>Vibration training to enhance athletic performance</i>
2014-15	Allison Moses	<i>Vibration training for acute glycemic management for individuals with Type 2 diabetes</i>
2013-14	Jared Ferguson	<i>Nutritional practices and supplement use in male and female varsity athletes.</i>
2012-13	Sean McDonald	<i>Resistance exercise for the prevention and management of Type 2 Diabetes</i>
2012-13	Lisette d'entremont	<i>The effect of providing supplemental physical activity and exercise resources in diabetes centres on physical activity and exercise levels of patients with diabetes</i>
2011-12	Natalie d'entremont	<i>Validation of a Physical Activity Questionnaire for use in Diabetes Clinical practice</i>
2009-10	Brittany Barron	<i>Chocolate milk as a recovery aid from high intensity exercise Winner of Alex Wright Award, Outstanding Graduate Kinesiology Winner of Colville Award, Outstanding honours student FPS Winner Best Undergrad presentation APES conference</i>
2008-09	Carrie-Dillman Co-supervised with Chris Shields	<i>Diabetes Educators self-efficacy toward prescribing physical activity and exercise and use of the Physical Activity and Exercise Toolkit Winner of the Colville Award, Outstanding honours student FPS Governor Generals University Medal</i>
2007-08	Emily Read	<i>Development of methods to assess low-frequency fatigue in athletes</i>
2006-07	Chelsea Pelletier	<i>A multi-disciplinary, community based intervention program for</i>

		<i>hypertensive patients of EKM Health Centre</i> Winner Best Undergrad presentation APES conference
2006-07	Maria Manzon	<i>Assessment of low-frequency fatigue in athletes using practical methods</i>
2005-06	Kate Trussler (Nutrition Student)	<i>Ingestion of caffeine for the enhancement of interval cycling performance (co-supervised with Dr. E. Johnson, H Petrie)</i> Winner 2nd place Best Undergrad presentation APES conference
2004-05	Chris Farlinger	<i>'Super' specific training enhances sport specific performance in a periodized training program</i> Winner of Colville Award, Outstanding honours student FPS
2003-04	Erinn Freeman (Biology student)	<i>Early responses of the skeletal muscle Na,K-ATPase to spinal cord injury</i>
2003-04	Melissa MacNeil	<i>Movement specific adaptations to training on a lower body sprint simulator in female varsity athletes</i> (co-supervised with Dr. Rene Murphy)
2002-03	Matt Price	<i>The use of an off-ice hockey skating simulator to improve leg power and skating performance</i>
2002-03	Grace Boutilier	<i>Cold-water immersion following intense interval running improves subsequent running performance</i>

Directed readings supervisor, Acadia University

2015	William Wojcik	<i>Use of Physical Activity Monitoring devices to promote physical activity</i>
2014	Myles O'Brien	<i>Exercise prescription in primary care</i>
2013	Meaghan McNeil	<i>The use of vibration training to enhance muscular strength and power in athletes</i>
2013	Allison Moses	<i>Vibration training in type 2 diabetes</i>
2013	James Young	<i>Physiologic performance variables and their application to collegiate sport: A review</i>
2012	Jared Ferguson	<i>Muscle protein synthesis response to resistance training and protein supplementation</i>
2012	Sean McDonald	<i>Resistance exercise for the prevention and management of Type 2 Diabetes</i>
2012	Lisette d'entremont	<i>Translating exercise research into Diabetes Clinical Practice</i>
2011	Natalie d'entremont	<i>Physical Activity monitoring tools</i>
2009-10	Kate Lovett (Masters Education)	<i>Exercise and Self-esteem in Children (Co-supervised with Chris Shields)</i>
2005-06	Maria Manzon	<i>Monitoring fatigue and performance in athletes</i>
2005-06	Emily Read	<i>Coexistence of potentiation and fatigue in human skeletal muscle</i>
2004-05	Lyndsay Wareham	<i>Nutrition and exercise for type 2 diabetes patients</i>
2003-04	Chris Farlinger	<i>Advanced periodization principles in athletic training</i>
2002-03	Erinn Freeman (Biology)	<i>Adaptations of skeletal muscle to spinal cord injury</i>
2002-03	Stephanie O'Brien (Nutrition)	<i>Advanced recovery techniques used in athletics</i>
2001-02	Matt Price	<i>Advanced power training techniques to enhance sport performance</i>
2001-02	Grace Boutilier	<i>Use of cryotherapy in sport and rehabilitation</i>

Independent study supervisor, Acadia University

2016	Will Wojcik	<i>Validation of Piezo Pedometer step counts in older adults</i>
2015	Myles O'Brien	<i>Fitness testing of Kinesiology students</i>
2014	Bretton Thurston	<i>The effect of Low-dose caffeine on High intensity cycling performance</i>
2013	James Young	<i>A descriptive analysis of the physical performance characteristics of Acadia University varsity athletes</i>
2011	Stephanie McQuaid	<i>Validation of Physical Activity and Fitness Questionnaires for use in Clinical Practice</i>
2010	Jane McKillop	<i>Resistance exercise in older adults with type 2 diabetes</i>
2009	Heather Ross	<i>Development of Fitness tests for outdoor leadership</i> <i>Nominee for CSEP certified practitioner research award</i>
2008	Blair Jarrett	<i>Validation of practical field tests of low-frequency fatigue</i>
2005-06	Eric Neilsen	<i>Use of the Sprint Profiler to assess sprint acceleration and velocity in football players</i>
2001-02	Todd Row	<i>The use of cold tub therapy to enhance recovery in elite varsity hockey players</i>

Delivery of Seminars, Workshops, and Colloquia

1. Physical Activity Counseling and Exercise Prescription for Management of Low Back Pain. *Canadian Memorial Chiropractic College Symposium at Homecoming*. Toronto, Ontario May 31, 2019.
2. Exercise is Medicine In Health Care. Pier 4 Family Medicine. *Dalhousie Medical School*. March 27, 2019.
3. Exercise is Medicine In Health Care. Interprofessional Development Short-Course. *Dalhousie Department of Interprofessional Education*. October 25, 2018
4. Exercise is Medicine Canada: PA Counseling and Exercise Prescription in Health Care Workshop. *Clare Regional Health Centre*. Clare, Nova Scotia. (presented with Dr. Alain Blinn). Sep 21, 2018.
5. Exercise for Type 2 Diabetes Update. *Canadian Society for Exercise Physiology Advanced Module Webinar*. Aug 29, 2018.
6. Exercise for Type 2 Diabetes. *Diabetes Education Workshop*. Hosted by The Diabetes Care Program of Nova Scotia. Halifax, Nova Scotia, June 14, 2018.
7. Exercise is Medicine Canada: PA Counseling and Exercise Prescription in Health Care Train-the-Trainer Workshop. *Pre-conference workshop in association with the Canadian Academy of Sport and Exercise Medicine annual conference*. Halifax, Nova Scotia. June 6, 2018.
8. Exercise is Medicine Canada: PA Counseling and Exercise Prescription in Health Care Workshop. *Pre-conference workshop in association with the Canadian Academy of Sport and Exercise Medicine annual conference*. Halifax, Nova Scotia. (presented with Dr. Victor Lun). June 6, 2018.
9. Exercise is Medicine Canada: PA Counseling and Exercise Prescription in Health Care Workshop. *Western NSHA Health Region*. Wolfville, Nova Scotia. (presented with Dr. Marion Cornish). May 10, 2018.
10. Exercise is Medicine in Health Care Workshop. *Canadian Chiropractic Association, Annual Conference*, Calgary, Alberta (presented with Dr. Scott Howitt). April 28, 2018.
11. Exercise is Medicine In Health Care. Endocrinology Residents Grand Rounds. *Dalhousie Medical School*. March 27, 2018
12. Exercise is Medicine In Health Care. Pier 4 Family Medicine. *Dalhousie Medical School*. March 27, 2018
13. Exercise is Medicine Canada: Physical Activity Counseling in Health Care Workshop. *Alberta College of Family Physicians, Annual Conference, Pre-Conference workshop*. Rimrock Hotel, Banff, Alberta (presented with Dr. Victor Lun). Mar. 2, 2018.
14. Exercise is Medicine. *Berwick Health Team, Continuing Education*. Western Kings Memorial Health Centre, NS, Feb 14, 2018.
15. Exercise is Medicine. *Annapolis Valley Family Medical Residents Continuing Education*. Eastern Kings Memorial Health Centre, NS, Feb 13, 2018.
16. Exercise is Medicine Canada: Exercise Prescription in Health Care Workshop. *Western NSHA Health Region*. Port Williams, Nova Scotia. (presented with Dr. Marion Cornish). Dec 8, 2017.
17. Exercise is Medicine Canada: Exercise Prescription in Health Care Workshop. *Western NSHA Health Region*. Port Williams, Nova Scotia. (presented with Dr. Marion Cornish). Dec 8, 2017.

18. Exercise is Medicine Canada: Physical Activity Counseling in Health Care Workshop. *Dalhousie Medicine Fall Refresher, Pre-Conference workshop*. World Trade and Convention Centre, Halifax, Nova Scotia. (presented with Dr. John Ross). Nov 29, 2017.
19. Physical Activity for Psychological development. *Guest Lecture in Developmental Psychology Psych 2153*. Acadia University. Wolfville Nova Scotia. Nov 20, 2017.
20. Exercise is Medicine Canada: Physical Activity Counseling and Exercise Prescription in Health Care Workshop. *NSHA Central Health Region*. QEII Health Sciences Centre, Halifax, Nova Scotia. (presented with Dr. John Ross). Nov 14, 2017.
21. Exercise is Medicine Canada: Physical Activity Counselling in Health Care Workshop. *Aberdeen Health Region*. New Glasgow, Nova Scotia. (presented with Dr. Brad MacDougall). Nov 8, 2017.
22. Think Tank for Exercise Prescription and Referral across the continuum from Health Care to Community. *Exercise is Medicine Canada National Meetings*. Winnipeg, Man, Oct 24, 2017.
23. Exercise is Medicine Canada: Exercise Prescription in Health Care Workshop. *Cape Breton Health Region*. YMCA, Sydney, Nova Scotia. (presented with Dr. Stephen MacDougall). August 14, 2017.
24. Exercise is Medicine Canada: Exercise Prescription in Health Care Workshop. *Colchester East Hants Health Region*. RATH Community Centre, Truro, Nova Scotia. (presented with Dr. Stephen Ellis). April 26, 2017.
25. Building Competency in Diabetes Education: Physical Activity and Exercise - Workshop. *South Winnipeg DES Chapter*. The Wellness Institute, Winnipeg, Man. April 21, 2017.
26. Exercise is Medicine In Health Care. Pier 4 Family Medicine. *Dalhousie Medical School*. April 5, 2017
27. Physical Activity Counseling and Exercise prescription in Arthritis – Workshop. *Canadian Rheumatology Association National Conference*. Ottawa, Ontario. Feb 8, 2017.
28. Physical Activity and Exercise Prescription for Chronic Disease Prevention & Management in Primary Care. Webinar. *University of Toronto Physician Assistant Program*. July 22, 2016.
29. Exercise is Medicine Canada: Exercise Prescription in Primary Care Workshop. *Primary Medicine Conference*. Toronto, Ontario. (presented with Dr. Paul Oh). May 6, 2016.
30. Exercise is Medicine Canada: Exercise Prescription in Clinical Practice Workshop. *Family Practice Review Conference*. Calgary, Alberta. (presented with Dr. Kelly Brett). Nov. 20, 2015.
31. Building Competency in Diabetes Education: Physical Activity and Exercise - Workshop. *Durham region CDA-DES Chapter*. Hamilton, Ont. Nov 26, 2015.
32. Exercise is Medicine Canada: Exercise Prescription in Primary Care Workshop. *Valley Family Physicians Society*. Wolfville, NS. (presented with Dr. Howard Wightman). Oct 23, 2015.
33. Exercise is Medicine Canada: Exercise Prescription in Primary Care Workshop. *Canadian Society for Exercise Physiology Annual Conference*. Hamilton, Ont. (presented with Dr. Paul Oh). Oct 17, 2015.
34. Building Competency in Diabetes Education: Physical Activity and Exercise - Workshop. *Hamilton region CDA-DES Chapter*. Hamilton, Ont. Oct 16, 2015.

35. Building Competency in Diabetes Education: Physical Activity and Exercise - Workshop. *Mississauga region CDA-DES Chapter*. Mississauga, ON. Oct 15, 2015.
36. Exercise is Medicine Canada: Exercise Prescription in Primary Care Workshop. *Fortius Sport & Health in Conjunction with Sports Medicine BC*. Burnaby, BC. (presented with Dr. Kara Solmundson). Sep 26, 2015.
37. Exercise is Medicine Canada: Exercise Prescription in Primary Care Workshop. *Saskatchewan College of Family Physicians*. Regina, Saskatchewan. (presented with Dr. Patrick Ling). Sept 24, 2015.
38. Detailing the Training Plan: Debriefing the Planning Process - Workshops. *National Coaching Institute – Atlantic*. Halifax, Nova Scotia. May 24, 2015.
39. Detailing the Training Plan: Developing the Taper and Recovery Plan : –Webinar. *National Coaching Institute – Atlantic*. Acadia University, Wolfville, Nova Scotia. May 11, 2015.
40. Exercise is Medicine – Canada: Exercise Prescription in Primary Care Workshop. *Valley Spring Refresher Family Practice Session*. Wolfville, Nova Scotia. (presented with Dr. Howard Wightman). May 9, 2015.
41. Building Competency in Diabetes Education: Physical Activity and Exercise - Workshop. *Southern Saskatchewan region CDA-DES Chapter*. Regina, Saskatchewan. May 1, 2015.
42. Detailing the Training Plan: Debriefing the Physiological Impacts of the Plan : –Webinar. *National Coaching Institute – Atlantic*. Acadia University, Wolfville, Nova Scotia. April 27, 2015.
43. Exercise is Medicine – Canada: Workshop. *Manitoba College of Family Physicians*. Winnipeg, Manitoba (presented with Dr. Paul Oh). April 18, 2015.
44. Is Sedentary the new Smoking: Tailored Physical Activity Recommendations for the Certified Exercise Physiologist. *The Wellness Centre at Seven Oaks Hospital- Professional Workshop*. Winnipeg, Manitoba, April 17, 2015.
45. Is Sedentary the new Smoking: Tailored Physical Activity Recommendations for the Certified Exercise Physiologist. *REh-Fit Centre Professional Workshop*. Winnipeg, Manitoba, April 16, 2015.
46. Building Competency in Diabetes Education: Physical Activity and Exercise - Workshop. *Southern Manitoba region CDA-DES Chapter*. Winnipeg, Manitoba. April 15, 2015.
47. Exercise is Medicine – Canada: Workshop. *Canadian Academy of Sport and Exercise Medicine*. Ottawa, Ontario. (presented with Dr. Renata Frankovich). Feb 9, 2015.
48. Exercise is Medicine – Canada: Workshop. *Palliser Health Network*. Medicine Hat, Alberta. (presented with Dr. Paul Oh). Jan 30, 2015.
49. Exercise is Medicine – Canada: Workshop. *Lethbridge Health Network*. Lethbridge Alberta. Jan 28, 2015.
50. Exercise in Diabetes: Advanced Module for the CSEP-Certified Exercise Physiologist. *Online Webinar – Exercise and Type 2 Diabetes*. Nov 24, 2014
51. Exercise in Diabetes: Advanced Module for the CSEP-Certified Exercise Physiologist. *Online Webinar – Diabetes Background*. Nov 6, 2014

52. Exercise is Medicine – Canada: Workshop. *Newfoundland Health Network*. St.John’s, NFLD. (presented with Dr. Rob Petrella). Oct 23, 2014.
53. Physical Activity and Exercise for Chronic Disease Prevention and Management in Primary Care; Exercise is Medicine – Canada: Workshop. *Health PEI Diabetes Working Group*. Charlottetown, PEI. Aug 25, 2014.
54. Exercise is Medicine – Canada: Workshop. *Northern Ontario Health Science Group*. Dryden, Ontario. (presented with Dr. Paul Oh). April 25, 2014.
55. Exercise in Diabetes: Advanced Module for the CSEP-Certified Exercise Physiologist. *REh-Fit Centre Professional Workshop*. Winnipeg, Manitoba, April 23, 2014.
56. Taking Steps in the Right Direction: Planning Physical Activity to improve your health. *West Kings District Regional Health Symposium*. Kingston, NS, Feb 16, 2014.
57. Building Competency in Diabetes Education: Physical Activity and Exercise - Workshop. *Aboriginal Diabetes Initiative and First Nations and Inuit Branch*. Montreal, Quebec. Oct 21, 2013.
58. Taking Steps in the Right Direction: Planning PA to improve your health. *Acadia Lifestyle Showcase, Wolfville Farmers Market*. Wolfville NS, Oct 2, 2013.
59. Taking Steps in the Right Direction: Planning PA to improve your health. *Acadia Life Long Learning Series*. Acadia University, Wolfville NS, Sep 26, 2013.
60. Detailing the Training Plan: Debriefing the Planning Process - Workshops. *National Coaching Institute – Atlantic*. Halifax, Nova Scotia. April 27, 2013.
61. Building Competency in Diabetes Education: Physical Activity and Exercise – Advanced Workshop. *Diabetes Care Program of Nova Scotia pre-conference workshop*. Halifax, NS. April 12, 2013.
62. Preparing for Competition: Environmental Factors –Webinar. *National Coaching Institute – Atlantic*. Acadia University, Wolfville, Nova Scotia. March 18, 2013.
63. Detailing the Training Plan: Developing the Taper and Recovery Plan : –Webinar. *National Coaching Institute – Atlantic*. Acadia University, Wolfville, Nova Scotia. Feb 25, 2013.
64. Detailing the Training Plan: Debriefing the Physiological Impacts of the Plan : –Webinar. *National Coaching Institute – Atlantic*. Acadia University, Wolfville, Nova Scotia. Feb 18, 2013.
65. Detailing the Training Plan: Detailing the Conditioning Program: –Webinar. *National Coaching Institute – Atlantic*. Acadia University, Wolfville, Nova Scotia. Feb 4, 2013.
66. Building Competency in Diabetes Education: Physical Activity and Exercise - Workshop. *Southern Alberta-Edmonton region CDA-DES Chapter*. Edmonton, Alberta. Jan 24, 2013.
67. Building Competency in Diabetes Education: Physical Activity and Exercise - Workshop. *Aboriginal Diabetes Initiative and First Nations and Inuit Branch*. Montreal, Quebec. Dec 6, 2012.
68. Building Competency in Diabetes Education: Physical Activity and Exercise - Workshop. *Southern Manitoba region CDA-DES Chapter*. Winnipeg, Manitoba. Nov 10, 2012.
69. Understanding and Implementing the new CDA Physical Activity and Exercise Toolkit-Pre-Conference Train-the-Trainer Workshop. *Canadian Diabetes Association Annual Meeting*. Vancouver, British

Columbia. Oct 12, 2012.

70. Building Competency in Diabetes Education: Physical Activity and Exercise - Workshop. *Hamilton region CDA-DES Chapter*. Milton, Ontario. September 22, 2012.
71. Building Competency in Diabetes Education: Physical Activity and Exercise - Workshop. *South BC region CDA-DES Chapter*. Vancouver, British Columbia. June 16, 2012.
72. Building Competency in Diabetes Education: Physical Activity and Exercise - Workshop. *South central Interior region CDA-DES Chapter*. Kelowna, British Columbia. June 14, 2012.
73. Physical Activity and Exercise Prescription in Diabetes Care. *Redesigning and Evaluating to Achieve Comprehensive Health For All (REACH) Atlantic Conference. Pre-conference Workshop*. Moncton, New Brunswick. May 31, 2012.
74. Developing Integrated Training Plans: Planning Conditioning for the Real World –Workshop. *National Coaching Institute – Atlantic*. Acadia University, Wolfville, Nova Scotia, May 18, 21, 2012.
75. Developing Integrated Training Plans: Planning testing and Monitoring –Workshop. *National Coaching Institute – Atlantic*. Acadia University, Wolfville, Nova Scotia, May 18, 2012.
76. Developing Integrated Training Plans: Creating the Mesocycle and Microcycle Plan –Webinar. *National Coaching Institute – Atlantic*. Acadia University, Wolfville, Nova Scotia, May 16, 2012.
77. Physical Activity and Exercise in Diabetes Update. *The Nova Scotia CDA-DES Chapter Workshop*. Wolfville, Nova Scotia, April 27, 2012.
78. Developing Integrated Training Plans: Developing Conditioning Plans –Webinar. *National Coaching Institute – Atlantic*. Acadia University, Wolfville, Nova Scotia, April 18, 2012.
79. Developing Integrated Training Plans: Creating the Yearly Plan –Webinar. *National Coaching Institute – Atlantic*. Acadia University, Wolfville, Nova Scotia, April 4, 2012.
80. Developing Integrated Training Plans: Preparing for Prehabilitation –Webinar. *National Coaching Institute – Atlantic*. Acadia University, Wolfville, Nova Scotia, March 21, 2012.
81. Developing Integrated Training Plans: Planning Conditioning Programs –Webinar. *National Coaching Institute – Atlantic*. Acadia University, Wolfville, Nova Scotia, February 22, 2012.
82. The Diabetes Physical Activity and Exercise Toolkit Workshop. *Durham Region Diabetes Education Program*. Oshawa, Ontario. Jan. 24, 2012.
83. Recovery and Regeneration. *National Coaching Institute – Atlantic*. Webinars completed Feb 9, 16. Acadia University, Wolfville, Nova Scotia, 2011.
84. Testing and Training for Peak Power. *Canadian Sport Centre – Atlantic Podium Performance Series*. Delivered with Leo Thornley. Acadia University, Wolfville, Nova Scotia, January 18, 2011.
85. The Diabetes Physical Activity and Exercise Toolkit Workshop. *Ross Memorial Hospital Diabetes Education Program*. Oshawa, Ontario. Sept. 10, 2010.

86. The Diabetes Physical Activity and Exercise Toolkit Workshop. *Scarborough Community Diabetes Education Program*. Westhill Community Centre, Scarborough, Ontario, Sept. 2, 2010.
87. Instructor Appraisal and Practical Evaluation. *Certified Personal Trainer Workshop, Canadian Society for Exercise Physiology*. Acadia University, Aug 20-22, 2010.
88. The Diabetes Physical Activity and Exercise Toolkit Workshop. *Moncton Hospital Diabetes Education Centre*. Moncton, New Brunswick, July 16, 2010.
89. The Diabetes Physical Activity and Exercise Toolkit Workshop. *Eastern Newfoundland Regional Diabetes Education Program*. St. Johns, Newfoundland, June 18, 2010.
90. The Diabetes Physical Activity and Exercise Toolkit Workshop. *Central Newfoundland Regional Diabetes Education Program*. Gander, Newfoundland, June 17, 2010.
91. The Diabetes Physical Activity and Exercise Toolkit Workshop. *Western Newfoundland Regional Diabetes Education Program*. Steadybrook, Newfoundland, June 16, 2010.
92. The Diabetes Physical Activity and Exercise Toolkit Workshop. *Provincial Diabetes Education Program*. Charlottetown, Prince Edward Island, June 11, 2010.
93. The Diabetes Physical Activity and Exercise Toolkit Workshop. *Provincial Diabetes Education Program*. Charlottetown, Prince Edward Island, June 10, 2010.
94. Training for Peak Performance. *Canadian Sport Centre – Atlantic Podium Performance Series*. Wolfville, Nova Scotia, April 7, 2010.
95. Instructor Appraisal and Practical Evaluation. *Certified Personal Trainer Workshop, Canadian Society for Exercise Physiology*. Acadia University, Jan 30, 2010.
96. Instructor Appraisal and Practical Evaluation. *Certified Personal Trainer Workshop, Canadian Society for Exercise Physiology*. Acadia University, Jan 23, 2010.
97. Certified Personal Trainer Instructor and Master Examiner Workshop. *Canadian Society for Exercise Physiology*. Acadia University, Aug 21-23, 2010.
98. Certified Exercise Physiologist Theory and Practical Examinations. *Canadian Society for Exercise Physiology*. Acadia University, April 17, 22, 2010.
99. Marketing the CSEP Brand. Health and Fitness Workshop. *Canadian Society for Exercise Physiology*. Vancouver, BC, Nov 14, 2009.
100. Certified Exercise Physiologist Theory and Practical Examinations. *Canadian Society for Exercise Physiology*. Acadia University, Aug 20, 2009
101. Certified Exercise Physiologist Preparatory Workshop. *Canadian Society for Exercise Physiology*. Acadia University, November, 2008.
102. The DCPNS Physical Activity and Exercise Toolkit Workshop. *Annapolis Valley Health Diabetes Education Program*. Kentville, Nova Scotia, July 14, 2008.

103. The DCPNS Physical Activity and Exercise Toolkit Workshop. *Capital Health District Diabetes Education Program*. East Hants Resource Centre Truro, Nova Scotia, June 25, 2008.
104. The DCPNS Physical Activity and Exercise Toolkit Workshop. *Capital Health District 7 Diabetes Education Program*. Port Hawksbury, Nova Scotia, June 6, 2008.
105. Performance Nutrition: Simple Strategies to improve playing potential in football. *East-West Bowl, National Coaches Clinic for Football*. Hamilton, Ontario, May 10, 2008.
106. Training the Energy Systems. *Level IV/V Coaching Workshop. National Coaching Institute – Atlantic*. Halifax, Nova Scotia. May 29, 2008.
107. Periodization and Planning of High Performance Athletes. *Level IV/V Coaching Workshop. National Coaching Institute – Atlantic*. Halifax, Nova Scotia. May 27, 2008.
108. Periodized Strength Training. *Level IV Coaching Workshop. National Coaching Institute – Atlantic*. Halifax, Nova Scotia. Feb. 2, 2008.
109. Advanced Strength Training. *Level IV Coaching Workshop. National Coaching Institute – Atlantic*. Halifax, Nova Scotia. Feb. 3, 2008.
110. Exercise Considerations for people with Metabolic Disease. *Certified Exercise Physiologist Update Workshop*. Halifax, Nova Scotia, Oct 27, 2007.
111. Physical Preparation and Energy Systems. *Level IV Coaching Workshop. National Coaching Institute – Atlantic*. Halifax, Nova Scotia. Oct. 10, 2007.
112. Periodized Strength Training. *Level IV Coaching Workshop. National Coaching Institute – Atlantic*. Halifax, Nova Scotia. Oct. 12, 2007.
113. Periodization of Energy System and Strength Training in High Performance Sport. . *Level IV Coaching Workshop. National Coaching Institute – Atlantic*. Charlettetown, PEI. May 19, 2007.
114. Advanced Strength Training. *Level IV Coaching Workshop. National Coaching Institute – Atlantic*. Charlettetown, PEI. May 20, 2007.
115. Periodized Strength Training. *Level IV Coaching Workshop. National Coaching Institute – Atlantic*. Halifax, Nova Scotia. Mar. 6, 2007.
116. Advanced Strength Training. *Level IV Coaching Workshop. National Coaching Institute – Atlantic*. Halifax, Nova Scotia. Mar. 7, 2007.
117. Certified Personal Trainer Workshop. *Canadian Society for Exercise Physiology*. Acadia University, Aug, 2006.
118. Resistance Training Exercise. Under Pressure: Lifestyle education for Individuals with Hypertension. *Annapolis Valley District Health Authority*. Acadia University, Nova Scotia, May 27, 2006.
119. Exercise Motivation and Adherence. Under Pressure: Lifestyle education for Individuals with Hypertension. *Annapolis Valley District Health Authority*. Wolfville, Nova Scotia, May 2, 2006.

120. Certified Personal Trainer Workshop. *Canadian Society for Exercise Physiology*. Acadia University, Jan 24,25, 2006.
121. Training tips, tools, and techniques for the total Hockey Player. *Canadian Hockey Association: Team Atlantic Training Camp*. Acadia University, Wolfville, Nova, Scotia. July 22, 2005.
122. Resistance Training Exercise. Under Pressure: Lifestyle education for Individuals with Hypertension. *Annapolis Valley District Health Authority*. Acadia University, Nova Scotia, June 21, 2005.
123. Exercise Motivation and Adherence. Under Pressure: Lifestyle education for Individuals with Hypertension. *Annapolis Valley District Health Authority*. Wolfville, Nova Scotia, May 26, 2005.
124. High Performance Training for Sport. A Coaching Podium Performance Workshop: A professional look at high performance coaching. *Canadian Sport Centre Atlantic in conjunction with Sport Nova Scotia*. Acadia University, Wolfville, Nova, Scotia. Nov. 24, 2004.
125. Periodized Strength Training for Sport. *Level IV Coaching Workshop. National Coaching Institute – Atlantic*. Halifax, Nova Scotia. February 15, 16, 2004.
126. Facilitating Behavior Change through the Seven Steps: lessons learned from the physical activity model. *Valley Regional Hospital Dietitians Continuing Education Workshop*. June 5, 2003. Kentville, Nova Scotia. June 5, 2003.
127. Periodized Strength Training for Sport. *Level IV Coaching Workshop. National Coaching Institute – Atlantic*. Halifax, Nova Scotia. November 15, 16, 2003.
128. Periodized Strength Training. *Level IV Coaching Workshop. National Coaching Institute – Atlantic*. Halifax, Nova Scotia. November 15, 16, 2002.
129. Advanced Strength Training. *Level IV Coaching Workshop. National Coaching Institute – Atlantic*. Halifax, Nova Scotia. Dec 11, 2001.
130. 3 Sets of 10 is in Question. What are the Answers? Exercise Workshop. *Canadian Athletic Therapy Association Conference: Pursuing Peak Performance*. Niagara Falls, Ontario. May 14, 2000.
131. Training and Conditioning the Warrior Athlete. *University of Waterloo Coaches Clinic*. University of Waterloo, Waterloo, Ontario. April 1, 2000.
132. Strength Training for Sport. *Personal Trainers Workshop. McMaster University*. Hamilton, Ontario. June 1997.

- * Grant Reviewer – Manitoba Health Research Foundation, 2014
- * Grant Reviewer - Nova Scotia Health Research Foundation, 2003, 2004
- * Strength Training and Physiology Consultant National Sport Centre, Ontario, 1999 – 2001
- * Strength Training and Physiology Consultant, St. John Sea Dogs CHL hockey, 2007-2009
- * Strength Training and Physiology Consultant, various NHL hockey teams, 2005-present
- * Strength Training and Physiology Consultant, Valley Wildcats Hockey Club, 2004-2009
- * Strength Training and Physiology Consultant, Jr. Axemen Bantam AAA Hockey, 2004-2008
- * Strength Training and Physiology Consultant, Kitchener-Waterloo Track Club, 1998-2001.
- * Strength Training and Physiology Consultant, Kitchener Rangers Hockey Club, 1999-2001
- * Strength Training and Physiology Consultant, Sheffield Steelers Hockey Club, 1998-1999

Other Scholarly Activity – University

- * Strength and Conditioning Coach/Exercise Physiology consultant, Acadia Athletics, 2001-present
- * Campus Programs/Acadia Athletics – Facility Management Committee – 2002-2006
- * SRMK Health Promotion and Wellness Committee member – 2002 – 2012
- * External Reader on Honours thesis – 2002-07, 2009-12, 2014-2016

C. SERVICE

National/International Administrative

- * Chair – Exercise is Medicine Canada, National Advisory Council, 2016- present
- * Board Member - Heart and Stroke Foundation Council on Mission: Priorities, Advice, Science and Strategy (CoMPASS), 2016-2019
- * Diabetes Canada Guidelines Implementation Committee, 2016-present
- * Chair – Exercise is Medicine Canada CSEP Liaison SubCommittee, 2014- 2015
- * Working Group Member – Canadian Diabetes Association, PA committee, 2011-present
- * Member – Working Group Exercise is Medicine Canada, 2012-2014
- * Member – Canadian Diabetes Association, Physical Activity Guidelines working group, 2011- present
- * Chair– Canadian Society for Exercise Physiology (CSEP) Health and Fitness Program, 2009-2011
- * Member – CSEP Board of Directors, 2006- 2012
- * Member – CSEP Health and Fitness Program Executive council, 2006-2012
- * Member – CSEP Financial Committee, 2008-2012
- * Member – CSEP Graduate Student Awards Committee, 2007-2011
- * Member – CSEP Health and Fitness Program Awards Committee, 2007-2011
- * Member – CSEP Marketing Committee, 2007 - 2011
- * Member – CSEP AGM Program Committee, 2006-2011
- * Member – Canadian Diabetes Association, PA Guidelines Implementation Working Group, 2010
- * Member Organizing Committee, AGM Edmonton – Canadian Diabetes Association, 2009-2010

- * Chair Elect– CSEP Health and Fitness Program, 2008-2009
- * Associate Member-at-Large – CSEP Health and Fitness Program Executive, 2006 – 2008
- * Co-Chair Organizing Committee – Canadian Society for Exercise Physiology National Conference, Building Bridges, Halifax, 2006

Regional Administrative

- * Conference Chair, Atlantic Provinces Exercise Scientists Meeting, Wolfville, NS – 2004
- * Organizing Committee Co-Chair, Atlantic Provinces Exercise Science Meeting, 2003, 2005

University Administrative

- * Academic Integrity Committee – Acadia University, 2016- present
- * Masters Thesis Defence Chair – Acadia University, 2017
- * AUFA 25.55 Review Committee – Acadia University, 2014
- * Faculty Development Committee – Acadia University, 2013-2015
- * Position Selection committee (#30301) – SRMK, 2009, 2014, 2016,
- * Department Review Committee - SRMK, 2006-2007, 2009-2010, 2014-2015, 2017-2018, 2018-19
- * Intellectual Property Committee – Acadia Faculty Association; 2011-2012
- * Department Committee for development of a Masters program – SRMK, 2006, 2016, 2017
- * Research Ethics Committee – Acadia University, 2005-2007
- * Animal Care Committee – Acadia University, 2005-2007
- * Department Ethics Committee – SRMK, 2005-2006
- * Radiation Safety Committee – Acadia University, 2003-2007
- * Position Selection Committee (Men’s Basketball Coach) – Acadia Athletics, 2005
- * Position Selection Committee (#30322) – SRMK, 2004
- * Position Selection Committee (#30302) – SRMK, 2003
- * Departmental Ethics Committee – SRMK, 2003-2005
- * Acadia University Honorary Degrees Committee – Acadia University, 2001-2004
- * Faculty and Faculty Executive Committee member - University of Waterloo, 1999 –2001
- * Chair – research symposium in honor of Dr. Dirk Pette – University of Waterloo, 2000
- * Organizing Committee member, Ontario Exercise Physiology meetings, University of Waterloo, 1998
- * Committee member to select Department Chair - McMaster University, 1996

Community

- * Life Cycle – Annapolis Valley, 2014, 2016, 2017, 2019
- * Big Brother – Big Brothers and Big Sisters of Annapolis Valley, 2001-2010
- * Volunteer - Christian Blind Mission International. Uganda, Africa. 1997.

PROFESSIONAL AFFILIATIONS

Memberships

- * Canadian Society for Exercise Physiology (CSEP)
- * Exercise is Medicine Canada - Network (EIMC)
- * Diabetes Canada (DC)
- * American College of Sports Medicine (ACSM)
- * National Strength and Conditioning Association (NSCA)

Certifications and Qualifications

- * Certified Exercise Physiologist and Certified Personal Trainer Master Examiner (CSEP, 2006-present)
- * Get Fit for Active Living, Seniors Exercise Instructor, Cdn Centre Activity & Aging (2010-2015)
- * PFLC and CFC Master Examiner (CSEP, 2004)
- * PFLC and CFC Course Conductor (CSEP, 2002)
- * Radiation Safety Training, 2000

- * Animal Care Training, 1999
- * Professional Fitness and Lifestyle Consultant (PFLC) - CSEP, 1999
- * Certified Strength and Conditioning Specialist (CSCS) - NSCA, 1998-present
- * Certified Sports Injuries First Aid Level I and Level II
- * CPR “C” Certification, Bronze Medallion, Lifesaving Level II Certification
- * Coaching Level I (Volleyball) and Level I & II – (flatwater canoe)
- * Attendance at the Canadian Society for Exercise Physiology (CSEP) annual conference (1996-2017), National Strength and Conditioning (NSCA) annual conferences (2006, 2005, 1998, 1997), the NSCA Strength Training conference for football (1997, 2001), and American College of Sports Medicine (ACSM) annual meetings (1995-2004, 2010, 2012, 2016, 2017)

ACADEMIC and PROFESSIONAL INTERESTS

- * Exercise to promote health and well-being of healthy individuals and those with chronic disease
- * Neuromuscular aspects of athletic performance and fatigue
- * Development, design, and evaluation of athlete training programs
- * Advanced Physiological Assessment of human performance
- * Nutritional strategies to improve performance and health
